

Your laugh  
brings me the  
greatest joy.

Thank you  
for being  
you.

I love  
your  
smile.

You are  
my  
person.

I love  
you.

I love you to  
the moon  
and back.

We all make  
mistakes.   
It is ok.  
I love you.

 You are the  
best YOU.

Please help me  
understand.

 You are  
amazing.

I know this is hard.  
I know you can do  
hard things.

I am here for you.

 I believe  
in you.
